

It's Winter Carnival time

Once again it is time to shake off the mid-winter blues and become an active participant in the season this country is most famous for, but most of us would like to avoid. We refer, of course, to the annual Minden Kinsmen Winter Carnival.

This is the 25th year for the carnival in Minden and, according to Kinsmen president Murray King, this will be one of the biggest and best carnivals yet. The schedule of events supports that statement with a full program of activities beginning Friday evening at 5:30 p.m. when the first stone of the carnival bonspiel slides down the ice, to 6 p.m. Sunday evening when the doors close on another year's activities.

In between these two points there are activities and events to please just about everyone.

The highlight of the Friday evening activities will be the selection of the 1985 Carnival Queen and Princess. Chosen from the young ladies of the community, these lucky ladies will reign over the weekend's activities. The selection of the carnival royalty, which begins with judging at 5:30 p.m., will be preceded by a presentation

by the Minden Figure Skating Club. The skaters will provide a tantalizing glimpse of the program planned for Sunday afternoon at the arena when the club presents its annual carnival on ice.

Following the crowning of the queen, hockey fans will be treated to two of the hottest teams in the Juvenile loop this season. Minden takes on Fenelon Falls at 9 p.m.

Meanwhile, upstairs in the Community Centre, the Crowe's Nest, named after Kinsman Don Crowe, will be in full operation with music for dancing, food and your favourite beverage. The Crowe's Nest will be open throughout the weekend.

Saturday will be a busy day for participants and spectators at the carnival. The annual Snowarama for Timmy, a fund raising effort sponsored by the Rotary Club of Minden will be underway at 7 a.m. Riders will follow a 100 km course raising money through pledges received from friends and family. The proceeds go to help crippled children in Ontario.

County council hears budget submissions

A number of organizations serving Haliburton County appeared before the County Council on January 16 seeking financial assistance for 1985.

Representatives of the Chamber of Commerce, Home Support Services, Information Centre and Public Library System gave brief reports on their past activities and outlined proposals for the upcoming year.

Ken Langdon, president of the Chamber of Commerce, told council that the Chamber's 1985/86 market plan reflects a new aggressive approach to the promotion of the Haliburton Highlands.

He noted that the council's management committee had suggested during a meeting in late 1984 that the chamber should place more emphasis on promoting the county to the

travelling public from outside the county and less emphasis on promotion within the Highlands. Langdon pointed out that the new marketing strategy reflects these concerns.

Langdon said, "There have been lots of changes in the chamber in the past year. I think they have all been for the better." He added, "We have a very upbeat board of directors and we feel very positive."

Langdon noted that the chamber has cut costs in their budget proposal and are asking for less funds than the amount sought last year. As outlined in the written report, the proposed budget for 1985 is \$117,970 of which marketing accounts for \$71,000 and administration accounts for the remaining \$46,970. Membership revenue is expected to be \$20,000.

The chamber is requesting

\$97,970 from the county. The report notes that the proposed budget funding represents a reduction of 23% from last year's proposal of \$127,300. The county council gave the chamber a grant of \$60,000 for 1984.

A number of new programs and changes have been initiated for the 1985/86 season. These include a redesigned Haliburton regional guide; a trade and professional guide that would be included in the Haliburton summer guide; attendance at all shows organized by the Ontario Visitors and Convention Bureaux as well as the Sportsmen's Show and Ski Show in Toronto; the promotion of convention business; television advertising; artisan tours to promote the work of local artists and craftspeople; a brochure on autumn colour tours; a Haliburton Winter book which will promote winter activities, resorts and attractions.

Expenses in the operating budget include: payroll \$47,000 (no increase over last year); newspaper and magazine advertising \$4500; Winter Lure Guide \$18,600 (this amount would be amortized over 5 years); Sportsmen's Show \$2800; Ski Show \$1500; Television advertising \$2000; Convention Marketplace Shows \$2000; Haliburton Trade and Professional Guide \$7400.

The budget report was well received by some members of council.

Bicraft Reeve Bill Howe commented "I like the approach taken. It is very positive."

Anson Hindon and Minden Reeve Lyle McKnight acknowledged that there has been criticism of the chamber in the past year but felt that chamber manager Emily Skinner and president Ken Langdon should be complimented for their efforts, particularly for their work in having this area accepted for assistance under the local Employment Assistance and Development Program (LEAD).

Library budget

Librarian Mary Packard presented the Haliburton County Public Library budget for 1985.

In 1984 the Library system spent \$134,861. Grant and miscellaneous receipts totalled \$138,911 leaving a \$4,050 surplus.

Last year the county provided a grant of \$53,500. The Provincial government contributed \$78,338 to the library and a further \$380 in grants was received.

This year the library is asking for \$57,553 from the county out of their total proposed budget of \$143,554. Wages and benefits which have been increased by 5% over last year account for \$97,958.

The other major expense, books and magazines will cost an estimated \$25,000.

Statistics released in the financial statement show that 850 new members joined the Public Library in

(more on page 6)

New services co-ordinator appointed

A new co-ordinator of the Haliburton County Children's Services Case Co-ordination Program has been appointed by the program's advisory committee.

Jennifer Brand takes over the position from Michael Wood, who submitted his resignation in December.

Mrs. Brand is a native of Trenton, Ontario. She completed her Bachelor of Arts Degree in Health Services Administration at McMaster University and following her graduation served as the Assistant Personnel Manager of the Hamilton Medical Association.

Mrs. Brand is currently completing her Masters Degree through the Canadian School of Management.

Her husband Steve is the District Sales Manager of Bombardier Inc. Steve and Jennifer are both members of the Hastings and Prince Edward Regiment Primary Reserves. Jennifer has been

Jennifer Brand, the new co-ordinator of the Haliburton County Children's Services Case Co-ordination Program.

in the Military Reserve for eight years, after joining in high school.

As part of her military training Jennifer takes part in outdoor military exercises in the winter months and spends her two week summer vacation at CFB Petawawa.

The Case Co-ordination Program has been created to serve the physical, emotional and/or developmental needs of children in Haliburton County.

The Case Co-ordinator assists with, and promotes, appropriate assessment services, co-ordinates initial and/or supplementary services for the child, and monitors the progress of the child through those services.

The program is not a direct service but instead acts as a liaison between families and agencies.

Mrs. Brand assumed her duties on January 14. Her office is in the Drag River Municipal Building in Haliburton.

Winter Carnival

(from page 1)

All day Saturday a Midget Minor Hockey Tournament will take place at the arena. Teams from throughout Ontario will be in town vying for honours in championship and consolation rounds. The first game begins at 8 a.m. with the final contest slated for late Saturday afternoon.

At the curling club, spectators will be able to keep an eye on the action as the annual Carnival Bonspiel unfolds. Play continues all day with the playoffs slated for Sunday morning at 9 a.m.

Just next to the Curling Club, the ice racers will be demonstrating their skill on the iced track. Participants from throughout the province will be barrelling around the slick oval.

At noon the highlight of the day's activities will see the giant Winter Carnival parade thread its way through town. The parade will form up near the IGA grocery store and follow Main Street to the arena.

Meanwhile, back at the arena, a \$1500 purse will be up for grabs in the OSRF sanctioned Snocross. Expert snowmobile drivers will be on hand vying for the big money. There will also be a junior amateur competition with sleds provided for the participants and three wheeler racing.

At 1 p.m. a hat auction, featuring corporate baseball caps, will take place at the Crowe's Nest.

Other outdoor activities taking place near the arena include traditional winter carnival competitions in log sawing, pole climbing, tug of war and others. The two Katimavik groups in Minden have undertaken the responsibility for organizing a program of events for children. All these activities are scheduled to begin at 2 p.m. in the parking area adjacent to the tennis courts.

The feature activity Saturday afternoon in the Crowe's Nest is the annual wrist wrestling competition.

As a break in tournament action, the tykes will take to the ice at 2 p.m. for an entertaining game of hockey. The annual carnival roast beef dinner will be held at the Zion United Church in Carnarvon Saturday evening beginning at 5 p.m.

That evening, the CFGM Bull Shooters will take on members of the Minor Hockey executive in a fun game at the arena. Game time is 8:30 p.m.

The Misty River Ramblers will be the featured band at the Crowe's Nest Saturday night.

Sunday morning the Figure Skating Club will present its annual pancake breakfast in the community centre. There will also be free public skating at the arena from 8 to 11 a.m.

Car races and curling continue through to completion today as well.

The Emery Blue Grass Family will be the featured band at the Crowe's Nest Sunday afternoon.

Teena Bullen of Orillia will be the feature guest skater at the figure skating carnival Sunday afternoon at the arena. The show, entitled "A Modern Adventure to Oz" will begin at 2 p.m.

A chicken eating contest will highlight the afternoon activities in the Crowe's Nest. The gnawing begins at 3 p.m.

"It will be a busy, and we hope, fun-filled weekend," a spokesman for the Minden Kinsmen Club stated. "We hope everyone will get out and enjoy the activities we have planned."

A concise schedule of the weekend's events can be found in the middle two pages of today's newspaper.

Marksman get new location for range

The Haliburton County Marksmen's Club has acquired a new range. The news of the new location was announced by the club's spokesman, Glynne Lewis.

The site of the new facility is on the Old Iron Mine Road in Lutterworth Township. Access to the site

is gained from a municipal road off Highway 121 south, near Howland Junction.

According to Mr. Lewis, the range is located on property owned by the municipality of Lutterworth. He noted that the facility is in an isolated location and has the sandy soil necessary for a rifle and pistol range backstop.

The range area will be somewhat smaller than the previous site, which will mean that the rifle and pistol shooting will not be able to take place at the same time. Lewis described this as a minor inconvenience.

The club formerly had a range on the Bobcaygeon Road north of Minden. However, the Anson, Hindon and Minden

municipal council closed that site after complaints were received about the noise created by the site and concern over its safety.

The club members have been attempting to find a suitable alternative site for a number of years and just recently reached an agreement with Lutterworth Township for the use of municipally owned property in the southeast of the township.

The spokesman noted that the club as an organized body, continues to exist,

even though it has been unable to practise its sport during the past few years. Lewis said that a meeting has been scheduled for this Sunday afternoon to reactivate interest in the organization. The meeting will be held at 2 p.m. at the parish hall of St. Paul's Anglican Church in Minden. Former members

and those interested in joining the club are invited to attend. At that meeting, details of the new range and a map providing directions will be available.

County endorses livestock protection motion

In a split vote, County Council has endorsed a resolution calling for changes in the Criminal Code of Canada.

The resolution which was endorsed by the county council, was passed by the Township of Adjala in the County of Simcoe, and was circulated to all counties and municipalities in the province.

The resolution called on the Province of Ontario to enact appropriate legislation which "will ensure that Livestock and Poultry Producers are allowed to shoot, without harassment and without being subject to prosecution, dogs which are not under proper control and found upon the premises of the producers."

The resolution was passed after a sheep producer in the Township of Adjala was convicted for having killed a stray dog on his property which had been worrying his sheep.

Following the reading of the resolution at the regular meeting of County Council on January 16, Anson, Hindon and Minden Reeve Lyle McKnight told council that he could not support the resolution. He noted that his municipal council had voted against the resolution when it was tabled on January 10 because council members felt that the present legislation offered adequate protection to farmers.

He noted that under the proposed legislation dogs

could be shot on farm property whether they were molesting animals or simply crossing the property. He added that unless owners use a logging chain to restrain their dogs they can get loose accidentally.

Sherborne et al Deputy Reeve Don Shortreed told council that the residents of the townships he represents are more concerned with the damage caused by dogs to the deer population. "We are concerned about the deer yards in our area," he

said, adding that dogs can be shot for attacking deer.

He added however, "I don't want to see open season declared on dogs that run on to another person's yard."

Snowdon Deputy Reeve Dwain Wruth told council that the purpose of the resolution was to clarify the law. He said that farmers are concerned that they may be prosecuted for shooting dogs that are molesting their livestock.

Wruth said that there

were fears that a farmer who had killed a dog that was slaughtering his cattle could be charged and might eventually lose his farm.

The resolution was important, he said, to straighten out the interpretation of the enforcement of the law.

Council passed a motion endorsing the resolution by a vote of 12-5. The vote prompted Warden Dalton MacDonald to comment, "There are more farmers here than I figured."

Tap Frost Centre's expertise, council told

Two members of the County Forest Management Committee have urged local government to take advantage of the services offered by the Leslie Frost Centre near Dorset.

Elgin Stouffer told County Council that the foremost experts in forest management in Canada work at the Centre and that their expertise could prove to be invaluable in assisting the county in forest management.

He suggested that

members of council should become more familiar with the Centre and the information made available to the public.

Mack Peters agreed, and added that more input from local governments was necessary in the logging industry in Haliburton County. He criticised the clear cutting operations that are being carried out in some parts of the county noting that although the operations are all right in some areas, they should not be carried out in other locations.

The only choice

Attention will be focused this weekend on Toronto as the Progressive Conservative Party selects a new leader. The significance of the selection is increased by the fact that whoever the P.C. delegates choose will a short time later become Premier of the province.

The leadership campaign has been anything but stirring as the four candidates sparred within the self-imposed limits which neatly skirted many of the issues of substance. While those watching the process via the media were able to get some sense of the candidates' personalities, there was not much in the way of substance. Obviously the candidates have learned well at the feet of their predecessor.

We favour the selection of Muskoka MPP Frank Miller for the position. His greatest appeal for rural Ontario has to be his knowledge of and sympathy with those areas which lie outside the large urban concentration. Miller appreciates the importance of the smaller entrepreneur to the economy of the province and the country. His own experience has also taught him the importance of tourism to the economy, a definite plus for areas like the Highlands and Muskoka.

Miller may not have a lot of dash and flair, but then neither did Bill Davis.

The province, and areas like the Highlands will benefit most with Frank Miller as head of the Progressive Conservative Party.

Root fence

Heroin treatments

- by John Eakins, MPP -

Last week I dealt with arguments in support of the use of heroin. This week I would like to deal with the arguments against its use.

Part II - Arguments Against the Use of Heroin for the Terminally Ill

The Canadian Cancer Society has issued a statement against the legalization of heroin as a medical drug. The issue was referred to the Society's National Medical Advisory Committee in June of 1980. The Committee apparently reviewed the literature on the subject, and presented its findings, identifying two aspects to the issue - the availability of heroin for non-medical use and the lack of unique advantages of the drug. The findings discussed in the Committee's Statement are summarized below:

Availability for Non-medical Use

It is argued by some that the legalization of heroin could lead to its increased illicit use. The Committee claimed that availability of heroin in hospitals, pharma-

cies and doctors' offices might expose persons legally in possession of heroin to the risk of attack by drug addicts. In this regard, the Society pointed out that it is not concerned about inducing heroin addiction in a terminally ill cancer patient, but rather that legalization of the drug may increase its availability for illicit use. The Society made no claim to have studied the question of addiction. Should it be demonstrated that legalization of heroin would not contribute to increased problems related to addiction in individuals without disease, the Society would be prepared to review its stand.

Lack of unique advantages

The second finding of the Committee was that heroin does not offer any unique advantages in the relief of pain that are not offered by other available drugs. Although it is agreed that heroin is approximately two and one half times as 'potent' as morphine, that same ratio appears to apply equally to the side effects,

namely that half as much heroin as morphine could be lethal. When one reaches a point where increasing a morphine dose would interfere with vital functions and perhaps even cause death, there is evidence that a comparable pain-relieving dose of heroin will have exactly the same side effects.

The Committee reported that despite the well known fact that heroin is more soluble than morphine and can therefore be administered in a smaller solution, the amount of the solution used with both drugs is small in any event and would make little difference to most patients.

Following a review of these factors, the Medical Advisory Committee advised "that there was, in the opinion of its members, no supportive evidence at that time that heroin provided unique qualities in the control of pain in cancer patients that cannot be duplicated by the use of already available drugs and that, in consequence, it was recommended that no further action be taken at that time."

We've all seen them. Stern - almost pompous - looking, they pose atop their "thrones". Some on posts. Others on poles. Many in craggy, twisted trees, reminiscent of haunted castles. Stoically, they survey their domains.

Red-tailed hawks are, by far, Ontario's most common raptor. Immediately distinguished by their large chestnut-red tails, they vary from light brown to almost black. Found everywhere south of tundra, they feed on any mouse-like mammal they can catch - voles, moles, mice and even lemmings.

Unlike most birds of prey, red-tails don't migrate. Instead, they 'stake out' a fallow field, roadside or other grassy verge where an abundance of mice and small rodents will sustain them through the winter.

Fluffed and stilled to conserve energy, they silently pass the winter by, hunched over feet and folded legs to insulate these, their heat-losers. From time to time, they take to wing, soaring high above the fields. Like U-2 pilots, their gaze resolutely fixed below, they search for the tiniest movement.

There! Even from 100' the tiny flick of a mouse's head - undetectable by you or I - signals the prey immediately. Another mouse has wandered those treacherous tunnels from beneath the snow's protective mantle. Drifting lower and lower, the red-tail eases slowly into range. Then, with instantaneous, computer-like precision, the wings draw back, tail redirects, and the hawk pounces with outstretched talons. Sustenance captured, his lordship returns to the throne.

Thus, the red-tails - "tails" as they're called by birders - pass the winter by, awaiting spring's warmth. Triggered by lengthening days and abundant food will come redistribution, pairing and nest-building.

All-too-soon will come that furious period of nest-building, when thousands, upon thousands of sticks must be gathered and arranged into bulky, conspicuous nests.

Sparsely lined with bark shreds, these platforms will be placed high in either deciduous or coniferous towers. Here, protected from all but the most determined climbers, the 2-4 chicks will hatch, feed voraciously on all manner of shredded morsels, and the fledgling toward adulthood.

We're fortunate in having such an abundance of red-tails in Ontario year round. They not only provide captivating viewing; they also play a key role in controlling rodent populations. With mouse popula-

Area will host 1500 motorcyclists in June

Haliburton County will be the destination for an expected 1500 motorcyclists in early June. The riders, members of various motorcycle clubs from throughout Ontario, will be participating in their annual Ride for Sight, an effort which raises money for the Retinitis Pigmentosa Foundation.

Organizers of this year's ride and representatives of the Retinitis Pigmentosa Foundation (RP) visited the Highlands Saturday to scout possible sites for the motorcyclists to camp during their overnight visit to the area.

A spokesman for the ride, Art Rea, the Eastern Canada Director of the Venture Touring Society, told a meeting in Stanhope Township that the individuals who take part in this ride are not members of bike gangs. He emphasized that the motorcycle club members are sensitive about their image, particularly because of the often negative press associated with motorcycle gangs. "We are basically a group of individuals who have a

sincere interest in motorcycles and touring," he told the meeting. "Check the roster of any of the groups participating in this ride and you'll find professional people like doctors, lawyers, accountants and the like. Groups like the Blue Knights (Motorcycle enthusiasts who are members of police forces), and Red Knights (all firefighters) are participants in this fund raising effort."

He said his group always tries to allay any fears of area residents when they hear such a large group of motorcyclists are coming to the area. He pointed out that some of the machines the motorcyclists will be driving are worth up to \$20,000, an indication of how dedicated these individuals are to their sport.

Rea explained that the riders collect donations from friends, relatives and associates to enable them to take part in the ride. The money is used to support the work of the RP Foundation.

Retinitis Pigmentosa is a degenerative disease of the eye which results in the gradual narrowing of an individual's field of vision. Eventually the victim is left with tunnel vision and will ultimately go blind.

The executive director of the RP Foundation Norah Frood was in attendance, along with Kim Wrigley who has RP. They explained that the disease has no known cure and that funds raised by the annual Rides for Sight, (a ride is held in each province), form a substantial portion of the organization's research budget.

Meeting with representatives of Stanhope Township, a number of service clubs, the Chamber of Commerce and interested citizens, the Ride for Sight organizers discussed facilities they would need to accommodate their group at

Organizers of the Ontario Ride for Sight consider the merits of the Stanhope Airport location as explained by Councillor Ann Barker. The representatives were in the area Saturday to look at potential destination points for an estimated 1500 motorcycle enthusiasts. Examining the location are, from the left, Kim Wrigley, Art Rea, Councillor Barker, Steven and Karen Henry, Dave Conrad and Deputy Reeve Elgin Stouffer.

the destination point. Rea told the meeting that the group has already chosen the Stanhope-Minden area as this year's destination and were in the process of getting a first hand look at the facilities available.

The group toured the Stanhope airport, the recreation ground behind the Stanhope Community Centre and the facilities associated with the Minden fairgrounds - community centre complex.

According to Rea, the group plans to make a final decision on its choice of destination within a very short time, so specific planning and promotion can begin as soon as possible.

letters

Editor:

My family and myself recently attended the Minden dog sled races as participants. We enjoyed ourselves very much. Thank you to all the townspeople who worked so hard to prepare this event.

If this race was held again next year I am sure you could count on a big turnout as everyone thought it was a big success. Thanks once again for an enjoyable weekend.

from the chamber

The Haliburton Regional Guide, published each year by Central Ontario Travel for the Chamber of Commerce, will have a new look this year. The guide has been completely redesigned with emphasis on tourism marketing. A three year marketing strategy was designed to reorganize the listing format, and to reflect the types of activities which travellers and travel influencers request. This change will be reflected in this year's guide.

In the second year, the information gathered on available facilities will be used to aggressively compete for group motor coach business in the area. Sample and circle tours will be developed after an indepth analysis of the tourism plant is completed.

In the third year, a group tour manual in the form of a wraparound to the guide will be added.

Since our regional guide concentrates on the tourism aspect of our marketing thrust, we will introduce a new marketing tool for members of the Chamber not directly involved in tourism. "The Haliburton Highlands Trade and Professional Guide" will be added to our regional guide this year. This guide will include construction companies, service stations, accountants, furniture stores, etc. This trade and professional guide will be inserted into the guide and distributed to cottagers and through the information centres.

Walter Thomas will be calling on you in the next two weeks to offer this service. For further information call the Chamber office at 286-1760.

LEAD Corporation

The LEAD Corporation is now in the process of hiring a planning phase manager. The target date for the planning phase project to begin is February 1, 1985.

January 27: Pancake breakfast at Minden Community Centre from 8 - 11 a.m. Sponsored by Minden Figure Skating Club. For more information call Penny Obce at 705-286-1242.

Budget requests

(from page 1)

1984.

A total of 73,123 books, 5415 magazines and 2574 tapes were lent out last year.

As of the end of 1984 the Public Library system in the county owned 31,314 books, 982 tapes, 555 films and 48 talking books.

Home Support Services

President Victoria Agnew told council that the organization has expanded significantly since its inception five years ago and provides an important

service to seniors in Haliburton County.

She said that by the beginning of this year the number of volunteers had increased to 550 from the original group of 20. She noted that the organization has received funding from all four levels of government in the past but added that the senior levels of government prefer to turn funding over to local

government agencies once the organization has been established.

In 1984 the Home Support Services received a

grant of \$1000 from the county.

Information Centre

Dorothy Baker, chairperson of the advisory board of the County Information Centre told council that the need for the services offered by the Centre has increased by 30% within the past year. The budget for 1985 has been estimated at \$22,000.

The Ministry of Community and Social Services has provided funding in the past and as Baker noted, the county contributed a \$1000 grant in 1984.

The requests for funding presented at the council meeting on Wednesday will be considered by the Management Committee

who will be setting the county budget for 1985 which is expected to be presented to council in March.

Pringle places first in Verner

After Minden's recent successful dog race derby, area mushers continue to make their mark in the racing world.

Gary Pringle of Haliburton, who was one of the organizers of the Minden event, placed first in the four dog competition at Verner, near North Bay. Val

Outdoors

(from page 4)

tions, so also float red-tail numbers. Several adult mice consumed per day preclude literally thousands of progeny per year.

Wise indeed are the land-owners who recognize red-tails' contribution to a healthy landscape. They'll be endowed, not only with a more stable and interesting wildlife system, but also with countless special moments; views of feeding; of stately poses; of young learning their way.

The next sentinel you see deserves a second thought.

Lougheed, another Minden race organizer, placed second in the four dog class. She was just 27 seconds off the top time set by Gary Pringle.

Alex Pringle placed eighth in the four dog class.

Steve Lougheed captured a fourth place finish in the eight dog category at Verner.

The Lougheeds will be travelling to Saranac Lake in New York State this weekend to take part in one of the major races of the sledding circuit.

Funds help villages in India

Gerry Feltham of Ingoldsby, representing the Help A Village Effort (HAVE) Committee of Haliburton, recently returned from a ten week visit to India and Sri Lanka. The purpose of the visit, which he paid for with his own funds, was to observe how the money raised by the committee, specifically through the Walk For Wells last spring, was being used or could be put to use. Mr. Feltham provides the following report on his visit to the Asian subcontinent.

In my recent 10 week visit to India and Sri Lanka, one of the highlights was the very warm welcome which I received from the village head (sirpunch) and villagers of Ibrahimpuram.

Through H.A.V.E.'s initial funds a chapel is nearing completion in that village. On its corner stone are the words: "donated by Fellow Christians, Haliburton, Ont., Canada on June 17th,

1982". The Haliburton Rotary Club's donation of \$1500 (through the Walk for Wells campaign) is being used to supply pure drinking water to the villagers of Ibrahimpuram and the neighbouring village of Fateshawpuram.

Friendship greetings from Haliburton's reeve, Mr. Murray Fearrey, were conveyed to the village head of Ibrahimpuram. In response the sirpunch, Mr.

Bamot Venkati, has sent the following greeting: "Respected Mr. Fearrey, we are extending our hearty greetings to you. I received your loving letter, October 1, 1984, through Mr. Gerry Feltham. Thank you for your financial help to our village, and also for the good friendly relationship.

I wish for a great success in the schemes of agriculture, well digging, current motors, and housing in my village. As a sirpunch of this village I am expressing my gratitude toward you. Yours friendly, Bamot Venkati, sirpunch, Ibrahimpuram."

As in Ibrahimpuram I found throughout India, Indians were saying: "We thank you most sincerely for the financial help but most of all we value the concerns

which Canadians are showing toward those who are desperately needy." Members of the H.A.V.E. Committee are delighted that the people of Haliburton County are responding so generously.

Arrangements have also been made for H.A.V.E.'s funds to be used immediately in the drilling and digging of wells in the drought prone villages of Madipadiga, Nelluta, and Sivunipalli, with hydrogeological surveys for prospective wells in other villages of the Warangal district (near Hyderabad).

The H.A.V.E. Committee is planning to have its second big annual county WALK on either the last Saturday in May or the first in June.

Concern expressed over parking

Now that the snow has returned to the Highlands, police are concerned that individuals visiting cottages may park their cars on the roadway. Constable Gary Chapman of the Ontario Provincial Police advises drivers that parking on the travelled portion of the roadway is illegal.

The constable noted that cars parked on the roadway create a hazard for other drivers, and interfere with snow clearing operations.

He also pointed out that vehicles parked in that manner will be ticketed and in some cases the vehicle may be towed away.

A week of contrasts in Men's recreational hockey

A lopsided victory, a near upset and an inspirational come from behind victory, best describe the games in the Minden Men's Recreational Hockey League this past week.

On Thursday, January 17, Home Hardware trounced The Times 14 - 2. Only six players dressed for Home but this made little difference as they broke away from a 2 - 2 tie early in the game to defeat the last place Times.

John Barkwell made a healthy contribution to his season's points total with six goals and six assists. Dean Hewitt knocked in four goals and assisted on five others. Joe Mitchell rounded out the scoring with four goals and three assists. Dave Crego also added an assist.

For The Times, Steve Crowe scored one goal and added an assist. Jeff Brown got the second goal and Jim Todd assisted on both goals.

In the opening game played on Monday evening the Rockcliffe Foamblowers came very close to losing their first game of the season.

With only three minutes remaining in the game Vasey's held a 5 - 3 lead but the 'Blowers rallied scoring two quick goals to gain the 5 - 5 tie.

This was the first game this season that the 'Blowers have not won.

Larry Sawyer led the way for Vasey's with two goals and an assist. Other goal scorers were Doug McNabb with a goal and two assists, Doug Brown a goal and an assist, and Jerry Campbell with a single marker. Assists went to Kim Hamilton with a pair, and Dennis Brule and John McAdam with singles.

Sid McKeighan was the top gun for the 'Blowers scoring two goals and adding an assist.

Other scorers were Jim McKelvey a goal and two assists, Ted Vasey also a goal and two assists, and Dave Hartwick a goal and an assist. Assists also went to Andy Campbell, Dave Pettes and Dave Lee.

In the second game played on Monday evening The Times scored four third period goals to catch up to Hartwick Construction, for their third tie of the season. Hartwick led 5 - 2 at the end of the first period and 8 - 5 at the end of the second.

After The Times evened the score late in the game, Hartwick went ahead by a goal with 1:46 remaining but The Times put on the pressure and Colin Wilson snapped in a shot with six seconds left in the game to gain the tie.

Greg Carpenter had a productive night for Hartwick notching four goals and an assist. Rick Hartwick added two goals

and four assists. Other Hartwick point-getters were Fraser Rogers a goal and three assists, Jeff Campbell a goal and two assists, and Peter Pearson a goal and an assist. Assists also went to Rick Mansfield and Neil Hutchison.

Steve Crowe led the way for The Times with a hat trick and a pair of assists.

Three players scored a pair of goals in the catch up game. Colin Wilson scored twice and added to assists. Jeff Brown added a pair of goals and an assist and Jim Todd scored twice. Assists went to Barry Shaw with four, Dan Reid a pair and Rick Osinchuk with a single.

Action resumes on Thursday, January 24, when Hall's takes on Home Hardware at 9 p.m. at the Minden Arena.

On Monday, January 28, Home Hardware meets Vasey's at 7 p.m. and Rockcliffe takes on The Times at 8:30.

Admission to the games is free.

Goalie Roland Hamilton scrambles to his feet after blocking a shot during a game between The Times and Hartwick Construction on Monday evening. The Times rallied behind the strong goal tending of Roland to tie the score in the dying seconds of the game.

Tykes defeat Haliburton 5-3

Submitted

Haliburton Arena was the setting for an outstanding display of sportsmanship and hockey skill when the Minden Tykes took on the Haliburton Tykes.

The game ended in a 5 - 3 score for Minden. Minden took the lead in the first period with a superb shot from Dennis Woods, assisted by Jeffrey Wray. Second period tied it up with a great shot from Joshua Brown, assisted by Blake Jackson and Curtis Reynolds.

Third period, Minden pulled ahead again with an unassisted goal by Dennis Woods. Fourth period showed a goal by both sides.

For Minden, Ryan Ladurantaye, assisted by Justin Rowden and Jeffrey Wray. For Haliburton, Joshua Brown, assisted by Curtis Reynolds and Jessie Longworth. In the fifth and final period, Jeffrey Wray slammed in 2 goals, assisted by Dennis Woods, Justin Rowden and Donald Todd.

Haliburton's last goal was scored by a great shot from Joshua Burke, assisted by Blake Jackson and Joel Edwards.

Superb goaltending by both teams, Terry King for Minden and Gregory Lewis for Haliburton. Good defensive hockey was shown by Wade Hartin and Matthew Burke.

Fenelon takes Juveniles 3-1

The Minden Juveniles had a chance to play some new opponents and their arch rivals this past week-

end when the team participated in the Fenelon Falls Juvenile Tournament on a Saturday and Sunday.

Fourteen teams from throughout south eastern

Ontario took part in the two day tourney. The host club, Fenelon Falls Flyers, captured the top honours after defeating Minden 3-1 in the final game of the tournament.

Minden Coach Gerry Campbell had to do a lot of line juggling to make up the absence of three defence-

men who were studying for exams.

Minden started off the tourney with a 5-2 win over Port Perry on Saturday. Scot Hamilton opened the

scoring on an unassisted goal early in the first period. Boomer Stamp made it 2-0 on an assist from Jeff Howe

and Chris Laporte to end the period. The second period belonged to Port Perry as they tied the game on two quick goals.

The tide turned again in the third when Boomer Stamp and Barry Boice knocked in two unassisted goals and Dennis McKee finished off the scoring with assists to Jason Stamp and Gord Wood.

The win advanced Minden to the "A" division and a game against Lindsay.

The contest ended in a two-all tie after the sudden death overtime failed to break the deadlock, but the game was awarded to Minden because they had more shots on goal and less penalties. Minden was assessed only one minor

penalty during the game while Lindsay served six minors.

Minden was behind 2-0 at one point, but goals by Jeff Howe from Dennis McKee and Daryl Ward and Chris Laporte from Jeff Howe evened the score.

The last game of the tournament was between the two unbeaten clubs; Minden and Fenelon Falls.

Fenelon Falls has shown during the season that they are one of the few teams that can win against Minden and they proved it again winning 3-1 in the most exciting game of the tournament.

After Fenelon had built up a 3-0 lead Barry Boice broke the shut-out in the third period after taking a

pass from Chris Laporte.

The game was fast paced, evenly matched and free of unnecessary penalties. Minden was assessed only one minor penalty while Fenelon Falls received five minors.

Hockey fans will have an opportunity to watch these two teams in action on

Friday evening following the Crowning of the Carnival Queen at the Minden Arena.

The game, which begins at 9 p.m., promises to be an exciting match between two excellent clubs.

On Sunday, January 27, at 6 p.m., Minden plays their first game of the play-offs against Little Britain at the Minden Arena.

Guild plans fashion show

Yes, it's sad but true. The Rails' End Gallery will be closed until Friday, February 15. But do not dismay, our Guild groups will continue to meet, the Board of Directors will lay more plans and workshops will be happening.

The annual Christmas Sale was once again a huge success and we thank all the artists and craftsmen who contributed their work and our volunteers who contributed their time. We hope that those of you who shopped at the Gallery enjoyed our wide selection of gifts.

During January the Guild Committee will be working on the plans for an exciting event they will be presenting in April. The first is a Guild Fashion Show. This will be a show of garments fashioned by our own Guild members and friends. To get people working, we will be holding a series of workshops beginning January 30. The first is "Hats and More Hats", a workshop teaching you the

elements of basic hat making.

Inspirations for these hats may come from a new outfit, a cherished piece of fabric or a favourite lampshade. Anyone and everyone (not only members) are welcome to join us for this fun time workshop. Call Chris at 457-1690 to register.

Following the hat workshop, will be a two day creative weekend on February 23 and 24. Two full days of knitting, weaving, tailoring and creating. we welcome everyone to join us for a creative boost, shared meals and fun experiences over two days with skilled craftsmen teaching their way.

Registration information, including dates, times and

prices will be listed regularly in this paper's announcement column of the classified ads.

We look forward to keeping in touch with our members and friends over the next while in our Guild News column.

Annual Meeting and dinner

January 23, 1985
at 6:30 p.m.

at the
Wagon Wheel Restaurant

\$8.00 per person

Trial date set

A date for the preliminary hearing into charges of two counts of attempted murder has been set for Paul Crofts of Haliburton. The hearing, which will be held in Lindsay, has been set for March 20.

The charges followed an incident at which police were held at bay for 29 hours last summer in Haliburton after a man barricaded himself in a house near the hospital.

Crofts will also face five other charges related to the incident.

Snowmobile news

Police report that the lakes in the county are very slushy and still pose a hazard for snowmobilers. They report that in some locations the ice depth is only about four inches.

Great care should be taken by those venturing out onto snow covered lakes, particularly on snowmobiles.

In the only incident reported by police this week, one snowmobile driver obviously didn't bother to check the thickness of the ice on the free flowing Gull River in Minden. Carl Northey of Minden drove his machine into the icy waters on Sunday. No other details are available.

CORPORATION OF THE TOWNSHIP OF STANHOPE TENDERS

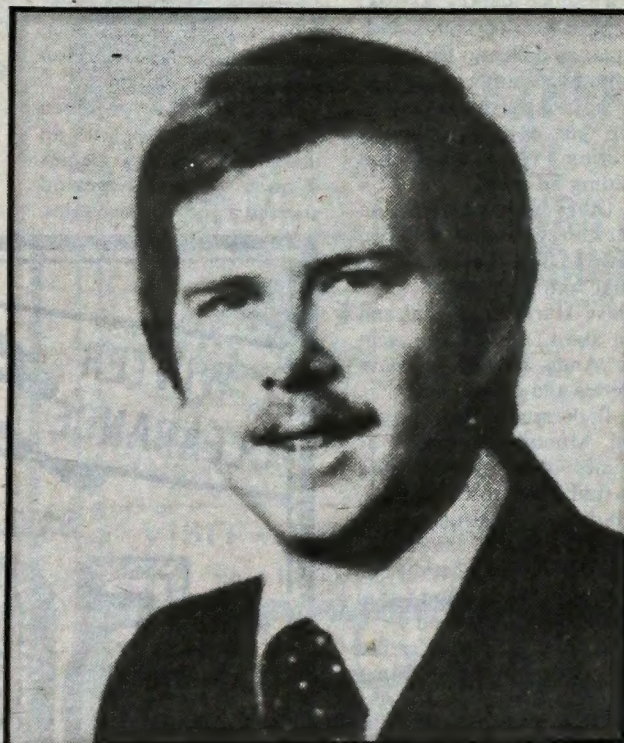

FURNACE OIL AND DIESEL FUEL

Loan help for farmers

- by Bill Scott, MP -

Agriculture Minister John Wise announced on January 15 that some 5,600 Farm Credit Corporation borrowers could be eligible to have their high interest rate loans converted to 12 3/4 per cent.

"We have received numerous requests for help from FCC borrowers whose loans are locked in at high interest rates for long terms," explained Mr. Wise. "This group is unique because they borrowed from FCC when interest rates were at an all-time high and the Corporation was not offering a choice of terms on its loans. These borrowers are, therefore, locked in for up to 30 years at rates ranging from 14 to 16 3/4 per cent. "In addition, most of them are unable to refinance their loans with a commercial lender at a lower rate or through a Small Business Bond," the Minister added. All borrowers who

obtained an FCA loan from April 1, 1981 and December 8, 1982 could be eligible and will receive a letter from the Corporation within the next two weeks. It will outline the steps they have to take and the information they must provide to apply for a rate conversion. This action will modify the existing mortgage by introducing a new rate of 12 3/4 per cent and a renewable term of five years. However, the amortization period will remain the same. The effective date of the rate conversion is January 1, 1985.

This represents a benefit of up to \$16 million per year for five years for this group of borrowers.

"The interest rate conversion may have a bearing on some of FCC's foreclosure actions. The temporary suspension of these actions ends January 15. However, all borrowers facing foreclosure action now have the

opportunity to have their cases reviewed by an independent appeal board", said Mr. Wise.

"In addition, if any of these borrowers are eligible for the interest rate conversion and if the lower rate improves the viability of their operations, their cases will be reassessed," announced Mr. Wise.

I welcome this move by the Minister of Agriculture

in response to the very real need of those farmers so severely affected by high interest rates.

Effective February 1, 1985 my constituency office will be located at 2 King Street in Lindsay. At this time, I understand the telephone number will remain as listed in the telephone book. My staff and I look forward to serving you out of this new location.

Did you know?

by Bambi Gilder

Did you ever stop to think about all the chemicals and dusts you breathe in your daily routine at home?

Some of them can be noticeably irritating ... like smoke from the fireplace. But others, like air from your humidifier, may cause lung problems, without you even knowing it.

By taking some very easy safety precautions you can help yourself breathe easier at home, such as, reading labels before using household cleaners. Many should not be mixed, for example, chlorine bleach and ammonia produce deadly fumes when combined.

Also, rid the house of dust collectors. Heavy drapes and thick carpets collect dust and people with allergies or asthma should avoid them.

Next, change humidifier water often. Stagnant water in humidifiers is an excellent breeding ground for

bacteria and fungi. If not destroyed, they may disperse into the air with the water vapour and cause "humidifier disease" (shivering, fever and breathing difficulties).

And always make sure smoke goes up your chimney. Non-electric furnaces, water heaters, stoves and fireplaces produce combustion

products which can be deadly if trapped inside the house.

These are just a few of many ways to make breathing easier. For more information regarding protecting your lungs, contact your County Information Centre

or your local Lung Association. Please keep in mind that if you have a problem, we can help! Why not take the first step and give us a call at 457-2733. We are open from 10:00 a.m. to 4:00 p.m. weekdays.

Winner

The winner of the photo contest held in conjunction with the Sled Dog Derby was Larry Strong of Tory Hill. The contest was sponsored by Mae's Country Mart.

MINDEN KINSMEN Carnival Queen Contest Fri., January 25, 1985 at 5:30 p.m. ARENA AUDITORIUM

WE NEED MORE GIRLS. Please call Rob Young at 286-1584

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop-up, close and convey to the abutting property owner, those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Big Hawk Lake, lying in front of part of Lot 19, Concession XIV and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3212.

SECONDLY: All and Singular that certain parcel or tract of land and Premise situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of land designated as road allowance on Registered Plan 182 on Part Lot 19 Concession XIV and being more particularly described as Part 3 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 3212.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 6th day of February, 1985 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: January 3, 1985

Gerald C. Bain, A.M.C.T.,
Clerk, Township of Stanhope
R.R. #1, Haliburton, Ontario K0M 1S0

Farmers hold annual meeting

by Ernest Hills

The annual meeting of the Haliburton County Farmers Association, held on the bitterly cold evening of Tuesday, January 8, was remarkable in a number of instances. Attendance at the annual meeting over the past years has steadily grown, and Tuesday night was no exception, with a standing-room-only gathering. Such attendances are indicative of the interest and enthusiasm within the association.

One of the highlights of the evening was the awarding of Bicentennial certificates of merit, courtesy of the Ontario Ministry of Agriculture and Food, to those who had made significant contribution to agriculture within the county. On hand for the ceremonies were Victoria - Haliburton MPP John Eakins and area agricultural representative Carm Hamilton.

An emotional presentation was made to Mrs. Ray Welch, in posthumous recognition of the valuable contribution her husband had made to Haliburton farming in his lifetime. Ray passed away just before Christmas, and will be sadly missed by all his friends within the association. Also recognized were Bud and Paula Kirchner, Sharron Greer, Wayne Cox, Randy and Maureen Warburton, Maurice Bradley, and Ernest Hills.

Such presentations are always an honour, and a significant recognition for those who receive them. Inevitably someone somewhere is omitted, and that is unfortunate. I want to express, on behalf of the association, our sincerest appreciation to everyone who at some time has donated their services or resources to the cause of furthering agriculture in Haliburton County. We remain grateful for those contributions.

Standard fare at the annual meeting features the election of officers. This year, commencing his second term as president, Randy Warburton was declared in that position. Ernest Hills was elected as vice-president, and Maureen Warburton was again declared to the position of secretary/treasurer. On behalf of the rest of the executive I would like to express our appreciation to Maureen for the outstanding work and dedication she has shown in that position. Long meetings, mountains of correspondence, and attention to small details are just part of the workload Maureen has volunteered for, which she undertakes so efficiently, and which we are all so grateful for.

One of the healthiest signs of an interested member-

ship was that elections were necessary to fill most of the directorships. Again this year there was an outstanding slate of candidates allowing their names to stand. The directors are as follows: Larry Hughes director for large animal husbandry, horses; Ingram Wessell director for large animal husbandry, cattle; director for small livestock is Godfrey Tyler; Casey Cox director for soil and field crops; Kathy Short is director for market gardens (and chairman for the farmers market); fair liason will be overseen by Dwain Wruth; director for 4-H is Tim Casey; and finally the director for maple syrup and forest management will be Keith Hughes.

The first executive meeting will be Tuesday, February 5 at the home of Casey Cox, at 8 p.m. At that time an agenda for the coming year will be set-up.

Squeezed into the middle of these events, the association was pleased to welcome Barry Sinclair, who is the red meat advisor for the Victoria / Haliburton Counties. Barry discussed the red meat, weaning weight, and herd health programs. He outlined to those in attendance the significant financial advantages to the cattleman, as well as discussing the obligations of the farmer enrolled in the programs. The programs have had a tremendously successful response from area farmers.

Dates to remember: Saturday, January 26, 6 p.m. in the Legion Hall, Haliburton, the Farmers Association is holding its annual banquet. Tickets are available from the 1984 executive. We are requesting donations to the traditional Chinese Auction, anyone wishing to donate articles in advance please call Randy Warburton at 457-1299.

Sunday, February 17 at 1 p.m., in the Gelert Community Hall the Haliburton Highlands Goat Society will be holding a general meeting to discuss the new provincial meat goat standards and information on a provincial meat goat association. Everyone is welcome.

Members of the congregations of Our Lady of Fatima Roman Catholic Church, Minden United Church and St. Paul's Anglican Church joined together to celebrate the Week of Prayer for Christian Unity on Thursday evening. Father Tom Palakal, Reverend Clyde Westhaver and Father George Elliott led their parishioners in an ecumenical service which celebrated the spirit of reconciliation and fellowship. The offering in the service which took place at Our Lady of Fatima church will go to the Canadian Council of Churches.

Outdoor fun at C.H.A.C.E.

by Eric Lilius

CHACE is a pretty empty place on Saturdays. We would like to extend an invitation to families, especially fathers and kids, to come and use our facilities. We're open between 10 and 2.

Thursdays and Fridays for the rest of the month will be devoted to outdoor activities. We're going to make good use of the cold weather and the snow now that it has decided to stick around. On January 24 and

25 we'll be building ice castles by freezing water in various shaped containers and then putting them together. They look like jewels in the sun. We need interesting shapes that we can use as moulds: stopped up funnels, milk cartons, cake pans, muffin tins, plastic containers, etc. Let's hope for cold weather; maybe we can make a kingdom of castles.

Wednesday mornings are times for exercising muscles and vocal chords. We all need to stretch and bend; body tensions are eased and general health is better if you gently extend yourself

beyond your habitual movements. We all know this but we don't always take the time.

CHACE has highchairs, booster seats, strollers, infant and child car seats, cribs, cradles, backpacks, etc., available for rental. When you have little ones coming to visit, when you have a grandchild to drive around, when everyone wants the highchair, please call, the rentals are not expensive and the equipment is there to be used.

There is a schedule of activities in the classifieds for you to cut out. Come and participate or feel free to call

if you need information. We have many ideas on home made craft and play materials; books on pregnancy, parenting, and breastfeeding, and a lending library of excellent toys.

All drop in facilities and activities are free to the user, but you must be a member of CHACE to sign out toys and books. Membership fees amount to a dollar a month, paid annually.

HALIBURTON BOOKKEEPING AND TAX SERVICES

We can summarize your payroll records and prepare your T4 and Workers' Compensation reports quickly and accurately at very reasonable cost.

senior league

by Bert Harrison

Dear readers. We are starting another week here at Hyland Crest. To tell you what has been happening I will do my very best.

We welcome Clara Coulter, who has come to live at Hyland Crest. We hope she will like it here. She'll be treated the very best.

For the next few days we won't see Edna Cowan around. She has gone to visit her son and family away up at Parry Sound.

Poor Lilly Hogg, her roommate is feeling sorry for herself, she is afraid she will be laid up upon the shelf.

In the chapel service Sunday night the Thompsons were there to do their part, then Rev. Burgess who always has an interesting message to give. In the 11th chapter in John, Jesus said, "I am the resurrection and the light. He that believeth in me, though he were dead, yet shall he live."

We think the 'flu here is finally easing off, yet some of the residents here still have a bad cough.

The ladies working in the craft room, some knitting socks. Mary Oliver said she has made some 80 quilt blocks and Mrs. Eastman, although she can not see, just knits away as busy as can be.

Tuesday morning about 6 o'clock I went to the bathroom. I decided it was too early to stay up, so back into bed I crawled, then the blamed fire alarm went and scared me down the hall. Out of bed and to the outside door we did fly, and didn't get a chance for any more shut eye.

Tuesday morning Rev. Westhaver of Minden United Church had a real interesting message for us on this lovely January day. We thank you both for coming for Fred Ballard the music did play.

Tuesday afternoon Doris showed us 2 very interesting movies. "Farming in a big way" and "Hong Kong as it is today".

Tuesday night our entertainer came. Mervin Rivers from Haliburton, Gordon Houghton from West Guilford and Murray and Shirley Davis from near the shore of Horseshoe Lake. They played fine music which was enjoyed by all, and we look forward when it is time for you to come to us again.

Congratulations to Wayne Cox who is by the way a good card who was one of 6 to receive an agriculture award.

Minden went to the dogs last weekend. Which was really quite a sight. Congratulations to the winners. They surely did alright.

Our super, Sidney Brown, is home sick with a bad cold. We children will try to behave and do as we are

told.

Millie Wood sits in a corner chair, where she can see all about. She can tell you who is coming in or who is going out. She keeps busy knitting socks, mittens, scarves, also cushion tops, so busy she hardly ever stops.

Angus Coulter is back at work again. He just can't sit still. Sitting always doing nothing is against his will.

Thursday afternoon the Minden U.C. ladies brought in and served a delicious lunch which was enjoyed by all. Maude Coulter read us some humorous poems. We did a nice sing-a-long. Thank you for coming and we look forward to when you'll come again to call.

We have a new resident. Harold Hogg just came in today. We're sure he will like it here and really enjoy his stay.

We thank the bingo callers Thursday night. Larry McKnight and Steve Crowe. The players said they did a real good job and put on a good show.

Friday morning Doris was sick. We had no fun and fitness and no ball to kick.

Friday afternoon was sing-song again. Our faithful Grace Coburn came just from across the way. Had no one the music to play. We sang a few numbers. Grace sang a few numbers. We had a social time anyway.

Minden W.I.

Mrs. C. Lacey, vice president, read a verse to open the January 16 meeting of Minden W.I. at the Library Cultural Centre. After the usual reports 17 members answered the Roll Call of stamped cards and we welcomed one guest.

Mrs. A. Coulter brought Mrs. Moore's report of 20 cards sent since the last meeting, and collections for the Card Fund and Pennies for Friendship were taken and correspondence was read.

We all joined in singing happy birthday to Jean Taylor. The Roll Call of February is to be - show a craft and these will be auctioned. After some discussion it was decided to take special collections at

this January meeting and also March and April and funds from the sale in February all will go as a donation to the CAT Scan in Peterborough. Mrs. Kernohan then took this special collection.

Business being completed, we all relaxed while we reviewed 1984 with Mrs. M. J. O'Neill. This was a full and interesting report and will go in the Tweedsmuir Book as a reference. We certainly appreciate her efforts in this report.

The meeting adjourned and all enjoyed the delicious lunch served by the committee. Next meeting will be February 20 at 2 p.m. at the Library Cultural Centre with all ladies welcome.

Jeanne Sears, P.R.O.

Figure skating tests

- submitted -

A test day for figure skaters was held Thursday, January 17 in Haliburton.

The results of the tests were as follows:

Preliminary Figures
Jay Garbutt and Hunter Obee.

Preliminary Dances
Swing: Jay Garbutt.

Ten Fox: Abby Burk and Christa Irwin.

Fiesta: Abby Burk, Christa Irwin and Dianne Garbutt.

Junior Bronze Dance: Abby Burk and Christa Irwin.

The Minden Figure Skating Club wish to thank Werna Blakey and Jane Symons for their dedication and time spent on coaching the young competitors.

around the county town

Call 286-1288 - 9 a.m. - 4 p.m.

We got a call from Mrs. Florence Robinson earlier this week telling us that Mr. Waldron Clement celebrated his 96th birthday on Saturday. Mr. Clement lives with his daughter and son in law Mr. and Mrs. Clarence Ainsworth and visitors from Gravenhurst arrived to share in the celebrations. Many happy returns sir!

Winners at Monday night's card party at Club 35 this week were: Most lone hands - Art Verbaan; High lady - Betty Campbell and High man - Edith (Fred) Russell who did a super job of acting, the door prize was awarded to Shirley Bunker while other winners were, Ken Campbell, Hazel Gregory and Jack Gregory.

Don't forget the Winter Carnival this weekend. All you youngsters should get out there and join the two Katimavik groups in outdoor fun Saturday afternoon from 1 to 5 p.m. There is a lot going on this weekend - something for everyone - See you there!

Bess and Fred Cox and friends Mr. and Mrs. Richard Robertson from Norland and Mr. and Mrs. Gerald Nettinga of Lindsay attended the Victoria County Country Music Association concert in Lindsay on Sunday. All proceeds from this event go to the CatScan fund and a cheque for \$1000 was presented to Bob Puffer, Victoria County co-ordinator. The fund, which was targeted at \$1.8 million has now reached \$1.1 million and a lot of that came from Haliburton County they were informed.

Residents of Staanworth Court enjoyed an evening of toe-tapping music and song on Tuesday, January 15. The much appreciated entertainment was provided by Ken, Jim and Charles Laver of Kinmount and the residents and their guests left no doubt about their enjoyment of the singing and music provided by the Laver family. Among the highlights of the evening was the singing of an appropriate song dedicated to Mr. and Mrs. Henry Howe in recognition of their upcoming sixty-third wedding anniversary. Luncheon convenor, Florence Lindsay and the 'Ladies of the Court' provided an excellent lunch to finishing off another pleasant evening at Staanworth.

Last Friday forenoon, the residents heard a very interesting talk about Haliburton County Home Support Services and the many services provided. Donna Bailey, Alberta

Maitland, Edith McArthur, Darlene McElwain, provided the information and a generous supply of goodies for the occasion.

The students at HHSS are in the middle of exams again. Time really does fly. Good luck to all you hard working students.

Don't forget the Minden and District Horticultural Society's annual meeting and pot luck supper to be held in Minden United Church hall on February 5 at 6:30 p.m. Everyone is welcome.

During winter carnival, why not attend the annual

roast beef dinner at Carnarvon United Church (10 miles north of Minden) for a super meal. Adults \$7.00, Children under 12 \$4.00.

Minden Rotary bingo continues Tuesday, January 29 at the Minden Community Centre. Early birds commence at 7:30 p.m. For an entertaining evening, you and your friends should head for the arena. Take a chance - win a few!

Winners at the card party held at St. Paul's Anglican church last Thursday, were - lone hands (on a cut) - Elva Paisley. Other winners - Verna McDonald, Cora Hewitt, Bob Mitchell and Pat Moore.

Alan and Helen Brydson from Bracebridge visited their parents over the weekend.

Knocking on the Door

This old earth goes rolling on,
Governed by its time and place,
Indifferent to the itching of
Its fleas - the human race.

Now it sounds a little gloomy,
At this present time and date.
I know you won't believe me,
But its coming, just you wait!

Our poor old man economy,
Served his purpose, had his day,
Is tottering to his grave, Folks,
About to pass away.

He has grown so old and weary,
Has lost his animation
Congested with his glut, Folks,
Dying of constipation.

With his favoured in attendance,
Holding anxious by his side,
Embued with much misgivings,
In a sense of woe betide.

They hear the knocking on the door,
And they chill, Folks, with the grues,
Fear the young inheritor
About to fill his shoes.

While they lend to threats and bluster,
All to cover their dismay,
They search in much confusion
For some form Folks, of delay.

Some think in terms of nuclear,
Some back away in fright.
Some delirium in star wars
Interspatial in flight.

Yet tomorrow's irrevocable,
And they must accept this fact
They've played out their historic role
And finalized their act.

And the new now much in question,
Will identify with time,
Is gathering in growth, Folks,
Has still to reach his prime.

Wm. Watson,
R.R.2, Minden.

MINDEN KINSMEN WINTER CARNIVAL

January
25, 26 & 27

See you
there!

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What is the easiest house to move?

A: A light house.

Q: What kind of bee can't fly of sting?

A: A spelling bee.

Q: Why did the truck carry a TV?

A: To get the show on the road.

Q: Why shouldn't you iron a four leaf clover?

A: You might press your luck.

AT REST

CLAY

Walsh (Wally)

- at the Ross Memorial Hospital on Wednesday, January 16, 1985 in his 67th year, beloved husband of Isobel Ann, beloved son of Sidney and Margaret of Toronto, dear father of Diane (Mrs. F. Bruntz) and Leith, both of Pickering, and Denis of Whitby, loving grandfather of Leith, Ashleigh, Janet and Sara, dear brother of Alfred and Sidney of Toronto, and Rosemary of Los Angeles, fondly remembered by many dear friends in the Toronto and Haliburton area. Resting at the Gordon A. Monk Funeral Home, Minden, from 2:30 p.m. Friday to 10:30 a.m. Saturday, thence to Our Lady of Fatima Church in Minden for Mass of Christian Burial at 11:00 a.m. Spring Interment Minden Cemetery. Rosary prayers in the funeral chapel at 8:00 p.m. Friday. Memorial donations to the Heart Fund would be appreciated by the family.

GODWIN

David Arthur

- at his residence in Stanhope Township on Sunday, January 20, 1985 in his 83rd year, beloved son of the late Rhonda and Thomas Godwin, dear brother of the late Florence, Elizabeth and William. Resting at the Gordon A. Monk Funeral Home, Minden from 7 to 9:00 p.m. Tuesday. Funeral Service in the chapel on Wednesday, January 23rd at 11:00 a.m. Spring Interment St. Stephen's Cemetery, Boshkung.

AT REST

MERCER

Marie Rachel

- at the Plummer Memorial Hospital, Sault Sainte Marie, on Sunday, January 20, 1985 in her 63rd year, beloved wife of Harold Mercer, dear mother of Ronald of Toronto, Shirley of Minden, and Shannon of Minden, loving grandmother of Michele, Jason, Charmaine and Amanda, dearly loved by many brothers and sisters, fondly remembered by Paul Sinclair and Theresa Coffey.

Sadly missed by her niece Kay Barton. Resting at the Gordon A. Monk Funeral Home, Minden from 2:00

p.m. Tuesday for funeral service in the Chapel on Wednesday, January 23rd at 1:30 p.m. Spring Interment Minden Cemetery. Memorial donations to the Diabetic Association would be appreciated by the family.

STONE

Mabel May

- at the Extendicare Nursing Home on Wednesday, January 16, 1985 in her 102nd year, beloved wife of the late William E. Stone, dear mother of the late Mildred (Mrs. S. LaBarge), and Allan of Kissimee, Florida, dear mother-in-law of Samuel LaBarge of Minden, fondly remembered by many nieces, nephews and friends. Rested at the Gordon A. Monk Funeral Home, Minden on Thursday, January 17th, 1985.
